Final Generation to End Soon

Second Coming in 2015?

If Sir Isaac Newton were alive today, we truly believe he would be shouting from the rooftops, *'Jesus is Coming again very soon!'*

Newton felt that Daniel's prophecy revealed the timing of both the 1st and 2nd Comings of Jesus Christ (see Appendix B in our new book: ***DON'T BE LEFT BEHIND***). In Chapter 11, we discuss how Daniel 9:25 may be telling us the actual Year in which Jesus will return as our King:

"Know therefore and understand this: from the issuing (bud) of the report of recovering to rebuild Jerusalem until the time that the Messiah comes as Prince (or King) shall be 49 years." (Daniel 9:25 Paraphrase of Hebrew)

If the recovery of Old Jerusalem on June 7, 1967 was the report Daniel was referring to, then the 49 years could be up in 2015 or 2016:

$06/07/1967 + 49 \text{ Years} \times 360 \text{ Days} = 09/23/2015$

$06/07/1967 + 49 \text{ Years} \times 365 \text{ Days} = 2016$

We need to state at the beginning that the purpose of this *News Update* is not to set a date for when the Lord will return. However, as we point out in our new book, once Endtime events are set in motion, we are given various counts of days that will allow those who have *"ears to hear"* the ability to know when the Second Coming will be.

In addition to the prophecy given to us by Daniel, let's look into some of the signs that Jesus said would take place before the Second Coming. To help understand this subject better, we have divided the prophecies that Jesus gave into three sections: Before the Tribulation, During the Tribulation, and After the Tribulation:

Before the Tribulation

"And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven". (Luke 21:11)

And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; (Luke 21:25)

(32) Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh: (33) So likewise ye, when ye shall see all these things, know that it is near, even at the doors. (34) Verily I say unto you, **This generation shall not pass, till all these things be fulfilled.** (Matthew 24:32-34)

First of all, please notice that Jesus said there would be great signs in the heavens involving the sun, the moon and the stars. Those of you who have read our new book know that we believe that Comet Hale-Bopp (1997) was the Sign that announced to the world that Jesus Christ is returning very, very soon. It arrived in 1997, 30 years after 1967, where “30 being 3 x 10, denotes in a higher degree the perfection of Divine order, as **marking the right moment...**” per Bullinger’s observation of the significance of the number 30.

If the Generation Jesus is referring to in Matthew 24, indeed began in 1967, the arrival of Comet Hale-Bopp in 1997, was a Divine marking at just the right moment to let us know where we are in God’s prophetic calendar! Please see: <http://www.prophecycountdown.com/endtimetracts.php>

Earthquakes in Divers Places

Jesus also told us that there would be signs on earth as well as the heavens to be watching for:

*“And **great earthquakes** shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven.”* (Luke 21:11)

On March 17th 2009, a very interesting event took place that most people probably did not even notice. In my new book: **DON’T BE LEFT BEHIND**, I outline the length of the generation that was alive during Christ’s life. In Chart # 1 of the book I show that this length was 42 years. This Chart also shows 3 possible dates that Jesus may have begun His ministry. The 2nd possible date listed was October 26, in 28 AD. If we move forward **15,259** days from this possible day that Jesus began His ministry we arrive at August 5, 70 AD, the day the 2nd Temple was destroyed as Jesus predicted in Matthew 24:2.

We all know that Jerusalem was recovered from the Gentiles on June 7, 1967. If we move forward **15,259** days from this prophetic milestone, we arrive at **March 17, 2009**. Notice what significant event occurred on March 17, 2009:

New Eruption in Tonga

The following link show some striking video (1.5 minutes) of an eruption that began off Tonga on March 17th:

Hunga Tonga-Hunga Ha'apai (how's that for a name?), a shallow seamount in Tonga, appears to have erupted. An air passenger snapped some pictures of an eruption occurring in the ocean between the Tongatapu and Vava'u and pilots in the area report that (unsurprisingly), the feature is new.

Hunga Tonga-Hunga Ha'apai - at least the part above water (look in the bottom of the image, the islands are marked in green) - is made of two small islands that cap the main seamount and ring the volcano's caldera. **The last known eruption from the volcano was in 1988**

Those Christian's who are looking for the Lord to return will probably remember 1988. 1988 was the year that Edgar Whisenant wrote his book: ***88 REASON'S WHY THE LORD WILL RETURN IN 1988.***

While Jesus did not return in 1988, many believe his book and message were a precursor of: ***"Behold the Bridegroom Cometh"*** for a sleeping Church. I find it fascinating that the last know eruption of the Hunga volcano occurred in 1988. Is it a co-incidence that this latest eruption occurred on **March 17, 2009**? Or is it significant in pointing to the fact that we are living in the 42nd year of the final generation that Jesus said would be alive to witness His soon return?

Interestingly, the recent eruptions were believed to be the result of a deep earthquake in the region. Remember Jesus said that there would be ***"earthquakes, in divers places"*** before He returned (Matthew 24:7). I believe the Lord is showing those who are Watching that 2009 is indeed the 42nd Year of the Generation that began in 1967.

In addition to the above great sign from the heavens and the earthquakes in divers place, Pastor Biltz of El Shaddai Ministries recently discovered that there will be several lunar and solar eclipses that occur on prophetic Feasts days in 2014 and 2015:

<u>Solar Eclipses</u> <u>(Sun as Sackcloth)</u>		<u>Lunar Eclipses</u> <u>(Moon as Blood)</u>	
		04/15/2014	Passover
		10/08/2014	Tabernacles
03/20/2015	1 st of Nissan – 1 st Sacred Year (Total)	04/04/2015	Passover
09/13/2015	Trumpets – 1 st Civil Year (Partial)	09/28/2015	Tabernacles

Pastor Biltz discovered that these eclipses will produce a rare series of 4 blood red moons known as a "tetrad". He noted that these will take place on significant Feasts days in 2014 to 2015, and that this will not occur again this century!

Pastor Biltz also reviewed the data from NASA over the last several centuries and discovered that this has not occurred except for this century. Amazingly, Pastor Biltz found that similar occurrences took place in 1949 and 1967! Prophecy students know that Israel became a nation in 1948 (recognized by the UN in 1949) and then recovered Old Jerusalem in 1967.

Most prophecy students agree that Israel represents the ***"Fig-tree"*** that Jesus mentions in His prophecies. He is telling the generation who is alive to witness the re-birth of Israel will also be alive to witness His return. **We find it incredible that the START of the generation was actually confirmed for us by God's signs in the heavens!**

Now if the recovery of the Old City of Jerusalem in June 1967, was the beginning of the generation and Daniel 9:25, says there will be 49 years, it must mean that the Second Coming of Jesus Christ as King should occur around 2015 or 2016.

Tradition

Because we are already into the year 2009, most Prophecy students have already dismissed Pastor Biltz's finding since most are looking for the Antichrist to "confirm a 7 year peace treaty" that he will later break after 3 ½ years. Since we are past 2008, Pastor Biltz's discovery does not fit in with this pre-conceived "Tradition." However, those who have read our new book know that the Tribulation period is only 3 ½ years long with the possibility of there being a period of 2,300 days (Daniel 8:13-14) between significant Prophetic Milestones. Those who are blinded by the Traditional teaching will not be able to see or understand what may be confirmation of when Jesus is returning.

When I wrote ***DON'T BE LEFT BEHIND***, I was not aware of Pastor Biltz's findings. His exciting discovery could be the final piece of the puzzle that is confirmation that the 2nd Coming of Jesus Christ could take place in 2015 or 2016. If this is correct, what does this mean in terms of when the Rapture may take place?

Several Possibilities

It appears that there are several possibilities that will line up with the 2nd Coming in the Fall of 2015 or 2016. Two would be for the Firstfruit Rapture to occur in the Spring of 2012 or 2013, which is 3 ½ Years prior to the Second Coming in 2015 or 2016 (others would involve subtracting the 2,300 days of Daniel 8 from 2015 or 2016, arriving at 2010). Again, these go against "Tradition" and most prophecy students will not be able to accept them as real possibilities. Sadly, Tradition will keep many Christians from the truth of God's Word. Paul warned us of this:

*"Beware lest any man **spoil you** through philosophy and vain deceit, after the **tradition** of men, after the rudiments of the world, and not after Christ."* (Colossian 2:8 KJ)

*"See to it that no one **takes you captive** through hollow and deceptive philosophy, which depends on human **tradition** and the basic principles of this world rather than on Christ."* (Colossians 2:8 NIV)

If the Second Coming is scheduled to take place in 2015 or 2016, how does this fit in with Pastor Biltz's finding in light of events that are scheduled to occur as outlined in the prophecies?

During the Tribulation

*And I beheld when he had opened the **sixth seal**, and, lo, there was a great earthquake; and the **sun** became black as **sackcloth** of hair, and the **moon** became as **blood**;* (Revelation 6:12)

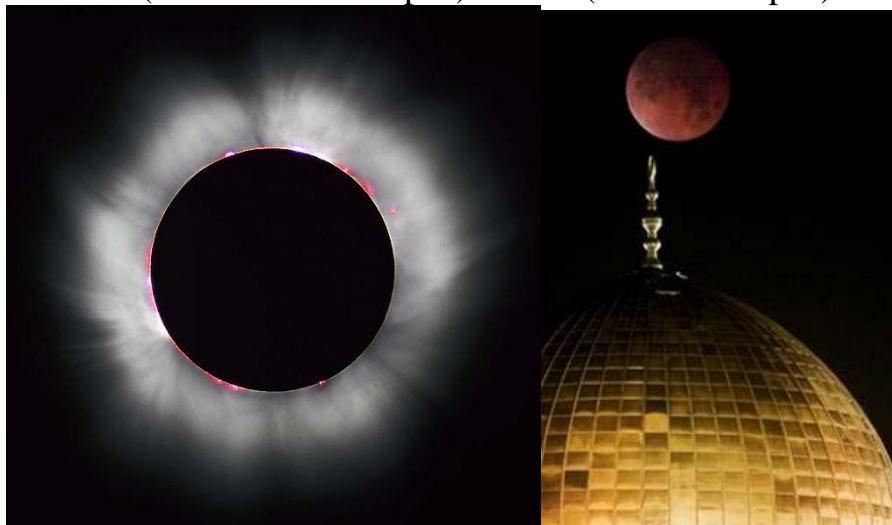

*"The **sun** shall be turned into **darkness**, and the **moon** into **blood**, before the great and the terrible day of the **LORD** come."* (Joel 2:31)

*"The **sun** shall be turned into **darkness**, and the **moon** into **blood**, before that great and notable day of the **Lord** come"* (Acts 2:20)

During the Tribulation period, the 6th Seal will occur just before God gets ready to pour out His Wrath. In a Total Solar Eclipse the Sun is completely darkened and the visible corona appears as "**sackcloth**" while during a Lunar Eclipse the Moon turns a reddish color "**as blood**":

(Total Solar Eclipse)

Moon as Blood
(Lunar Eclipse)

After the Tribulation

*“Immediately **after the tribulation** of those days shall the **sun** be darkened, and the **moon** shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:” (Matthew 24:29)*

*(30) And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see **the Son of man coming in the clouds** of heaven with power and great glory. (31) And he shall send his angels with a great sound of a **trumpet**, and they shall gather together his elect from the four winds, from one end of heaven to the other.*

*(32) Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh: (33) So likewise ye, when ye shall see all these things, know that it is near, even at the doors. (34) Verily I say unto you, **This generation shall not pass**, till all these things be fulfilled. (Matthew 24:30-34)*

After the Tribulation period, the Sun will be darkened again. In a Partial Solar Eclipse the Sun is almost completely darkened as depicted in the following photograph:

Sun Darkened
(Partial Solar Eclipse)
sultanknish.blogspot.com

Remember, a Partial Solar Eclipse is scheduled to occur on September 13, 2015, which happens to be the **Feast of Trumpets**. Could this Eclipse relate to the Second Coming in 2015, in fulfillment of the above prophecies? While we can't be dogmatic and claim to know for sure, we can't ignore these important findings in light of what our Savior Jesus Christ told us to be watching for. As Isaac Newton would say, *“**Let time be the interpreter.**”*

Time is very short and Jesus Christ is returning very soon. Help people wake-up while there is still time. While we don't know the exact time for sure, we know His return is very, very soon!

Watch and Pray

And let us never forget the prayer for watchfulness that our Lord instructed us to pray:
*“And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares. For like a snare shall it come on all them that dwell on the face of the whole earth. **Watch ye, therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of Man**” (Luke 21:34-36).*

Summary and Conclusion

Based upon the information summarized in this *News Update*, it seems fairly apparent that we are indeed living in the final generation that Jesus said would not pass away:

*(32) Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh: (33) So likewise ye, when ye shall see all these things, know that it is near, even at the doors. (34) Verily I say unto you, **This generation shall not pass, till all these things be fulfilled.** (Matthew 24:32-34)*

Through signs in both the heavens and on the earth, God has remarkably marked the Final Generation that began on June 7, 1967.

When Jesus came the first time, the wise men of the day were aware of His soon arrival since they were actively looking for Him. The Prophet Daniel said at the time of the end **“the wise would understand.”** Pastor Biltz’s discovery that the heavens announced the start of the Final Generation with a “tetrad” of eclipses on significant Feast days in 1967, is more than mere coincidence. God is speaking to those who are really looking for Him to return.

Then in 1997, 30 years after the final generation began, God brought Comet Hale-Bopp through our solar system. This comet was one of the most widely viewed comets in the history of mankind and most likely The Sign that Jesus said would announce His soon return:

<http://www.prophecycountdown.com/endtimetracts.php>

Next, on March 17, 2009, God marked the 42nd Year of the Final Generation 15,259 days after it began on June 7, 1967, as predicted in our recent book: ***DON'T BE LEFT BEHIND.***

Finally, Pastor Biltz discovered that another rare series of eclipses will take place on significant Feast days in 2014 and 2015, (which will not occur again in this century!) thereby marking the end of the 49 years of the Final Generation that Daniel referred to in which Jesus will return as our King:

“Know therefore and understand this: from the issuing (bud) of the report of recovering to rebuild Jerusalem until the time that the Messiah comes as Prince (or King) shall be 49 years.” (Daniel 9:25 Paraphrase of Hebrew)

If the recovery of Old Jerusalem on June 7, 1967 was the report Daniel was referring to, then the 49 years should be up in 2015 or 2016. The Final Generation that Jesus was referring to could see the final fulfillment of the endtime prophecies and the Second Coming of Jesus Christ as our King! Keep Looking UP! Jesus is coming again very, very soon!
