

# DON'T BE *LEFT BEHIND*

## Synopsis of Book

*"Go your way, Daniel, because the words are closed up and sealed until the time of the end. Many will be purified, made spotless and refined...those who are wise will understand."*  
(Daniel 12:9-10)

*"...and his bride has made herself ready..."*  
(Rev.19:7)

God the Father is in the process of preparing a Bride for the marriage to His son Jesus Christ. The **purpose of this book** is to help the **Bride prepare for her great Wedding Day**. The Holy Spirit is bringing this important message to those in the Church with "ears to hear" what they need to do in order to prepare and be ready to meet the Bridegroom in the very near future.

**Make sure you are making the proper preparations now while there is still time.**

## Chapter 1 – Tradition

---

### “70th WEEK OF DANIEL”

The Traditional teaching on the 70<sup>th</sup> Week of Daniel is firmly implanted in the vast majority of Christians today. This teaching has been so engrained in our minds that it is hard to imagine how it could be wrong. This book will examine this Tradition in detail. It will be shown that we have been “Blinded” to what the Scriptures are really saying. It has taken most of the Church “*Captive*” and “*Carried Us Away*” into error that can make us all ashamed for not “*rightly dividing the word of truth.*” Tradition is like spiritual quicksand, pulling all its victims deep into its dark depth. Satan can use Tradition to keep people from the truth of God’s Word. This can be extremely dangerous for the Church. We can become so sure of ourselves and of our own position that we actually are led astray.

## Chapter 2 – Knowing the Timing

---

Whenever a date for the Lord's return is set, the first objection that most people make is, "You can't know the DAY or the HOUR, therefore let's not even discuss it." The argument goes on to say that it is wrong to discuss dates and that no one knows when Jesus is going to return. Because of the tradition that we can not know about the timing of end-time events, many people will be caught off guard when Endtime events begin to take place. The Word of God, however, is very clear. The wise and faithful servant will be looking for Jesus and they will be ready, waiting and watching for Him. They will know the time and will not be taken by surprise. This chapter looks at why the believers can and should know the timing of Endtime events and find out the consequences of not knowing if people do not wake-up in time.

## Chapter 3 – 70<sup>th</sup> Week of Daniel

---

The Traditional teaching on the 70th Week of Daniel is based upon one verse in Daniel “*And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.*” (Daniel 9:27) The Traditional teaching says that the Antichrist will arrive on the scene and confirm a 7 Year Peace Treaty, but after 3 ½ Years he will break the Treaty and then put an end to the Sacrifices that the Jewish people are making in their re-built Temple. This is popularly called the “70<sup>th</sup> Week of Daniel” and literally hundreds of books have been written on this one verse. After reading this Chapter, the reader will hopefully see that the above interpretation is like a fairy tale compared to the real truth that God has for us. The reader will discover that this prophecy was fulfilled by the ministry of Jesus Christ in 32 AD and Daniel’s **prophetic Clock** stopped ticking ½ way through the week.

## Chapter 4 – Endtime Count of Days

---

The books of Daniel and Revelation provide various counts of days relating to the Endtimes. While the purpose for this book is not to set an exact date for any Endtime event, we need to remember that we are living in the “*time of the end*” and that the prophecies in Daniel are to be “*unsealed*” at that time and that the “*wise will understand.*” The foolish and the scoffers will not understand and they will tell you that it is wrong to discuss dates. That is why the foolish will be taken by surprise! The purpose of this Chapter is to review the 7 major Counts of Days outlined in the Scriptures and to ascertain what events may be described and discuss possible fulfillments. (These numbers ①②③...etc. are used in this Chapter for easy reference back to the **Endtime Timelines** that are found at the back of the book). The 7 major Counts of Days reviewed are:

- ① GENTILES ON TEMPLE MOUNT (42 MONTHS)
- ② 2 WITNESSES (1,260 DAYS)
- ③ DAILY SACRIFICES (1,290 DAYS and 2,300 or 1,150 DAYS)
- ④ ISRAEL INTO WILDERNESS (1,260 DAYS & TIME, TIMES & ½ TIME)
- ⑤ CHRISTIANS PERSECUTED (TIME, TIMES & ½ TIME)
- ⑥ ANTICHRIST POWER (42 MONTHS)
- ⑦ PROMISED BLESSING (AFTER 1,335 DAYS)

## Chapter 5 – Daniel’s Clock About to Start Ticking?

---

This Chapter brings out the pivotal event that took place on June 7, 1967 when the Jewish people recovered the Old City of Jerusalem from the Gentiles. The Jewish people lost Jerusalem on August 5, 70 AD when it was destroyed by the Roman army and from that point until 1967, Jerusalem had been controlled by the Gentiles. June 7, 1967 marked a major **Prophetic Milestone** because Jerusalem was no longer under Gentile rule. Jesus indicated in Luke 21:29-32 that the generation to witness the establishment of the “*fig tree*” will not pass away until everything in the prophecies have been fulfilled. The “*fig tree*” represents the nation of Israel, so Jesus is telling us that once we see these events take place we are to know for certain that our redemption is drawing very near. This Chapter then delves into calculating the length of the generation that witnessed the destruction of Jerusalem in 70 AD (Luke 21:24) and then extrapolates that period of time to the current generation that witnessed Jerusalem’s recovery on June 7, 1967. These calculations show that Daniel’s Prophetic Clock could start-up again very soon.

## Chapter 6 – God’s Prophetic Feast Days

---

God set the Feast Days as divine appointments that He has made in the past and will make in the future as shadows of things to come. These Feasts are controlled by the orbits of the sun, moon, and earth and the Hebrew calendar is regulated to keep track of the Feasts. God has ordained these special days and various Endtime events are scheduled to occur on or near these appointments. This Chapter discusses how God’s Feast Days from 2007 to 2017 were used to analyze hundreds of Feast Days over this period of time using Excel spreadsheets. Find out the interesting pattern that emerged when the Endtime Count of

Days developed in Chapter 4, are compared to God's Feast Days.

The significance of the major Feast Days is reviewed, however the discussion is not a rehash of ideas found in the many books on the subject, but rather a summary of how each day may be fulfilled in the **Endtime Timelines** developed by this book.

## Chapter 7 – Feast of Pentecost

---

Firstfruit Believers are those Christians characterized by the “5 wise virgins” who are found looking and ready when the Bridegroom returns. They are described in Revelation 3:8-10, as the Church of Philadelphia who are given the wonderful promise of escaping the Tribulation period:

*“Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth”*

The Firstfruit Believers are those Christians who have demonstrated that they have died to their old life by allowing the Holy Spirit to control their lives so they become what the word of God describes as overcomers:

*“(21) To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne. (22) He that hath an ear, let him hear what the Spirit saith unto the churches” (Revelation 3:21-22)*

This Chapter discusses why the Feast of Pentecost is the most likely day for the Rapture of Firstfruit Believers. Enoch was the first person to ever be Raptured from the earth. Because Enoch walked with God, God removed him from the earth prior to when the Great Flood arrived. As God removed Enoch prior to the time of the Great Flood, God should also remove Enoch's protégés (the Firstfruit Believers) prior to the Great Tribulation.

The Firstfruit Believers are actively waiting and watching for their Bridegroom to return for their wedding day praying Luke 21:34-36:

*Watch ye, therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of Man”*

## Chapter 8 – Possible Coming Events

---

This Chapter develops 3 possible Events that could take place to begin the final period known as the Tribulation Period. Once Daniel's Prophetic Clock is started again, one or more of these events could be the prophetic Milepost that will begin the clock ticking again on Daniel's 1,260, 1,290 and 1,335 days. Various Scriptures are developed to show that the Traditional teachings may be completely different from what will actually take place. The importance of being one of the “5 wise virgins” is stressed since the “**Midnight Cry**” that the Rapture is about to take place could happen very soon. This book reveals what astounding event this “**Midnight Cry**” may actually be and why the “5 foolish virgins” need to wake-up while there is still time!

## Chapter 9 – Abomination of Desolation

---

The Abomination of Desolation is popularly taught to occur 3 ½ years after the Antichrist arrives on the scene and breaks a 7 year Peace Treaty half way through. This Chapter discusses how the two Gospels actually show two events will occur. The first one in Matthew 24 occurs near the very start of the Tribulation period and the second one in Luke 21 occurs near the very end. The reader is then challenged to “think outside of the box” in order to arrive at what the Word of God may actually be trying to tell us. It is shown that one of the events described in Chapter 8, may cause Daniel’s Clock to start ticking again with the Abomination of Desolation occurring 1,290 days later. One alternative possible fulfillment is also suggested for the reader to make their own decision regarding.

## Chapter 10 – Endtime Timeline

---

The information presented in the preceding chapters now comes together in Chapter 10. It begins by restating the fact that the purpose of the **Endtime Timelines** is not to set an EXACT date for any event. However, once these Endtime events are set in motion, the final count of days have been given to us in both the books of Daniel and Revelation, and we need to remember that we **are living** in the “*time of the end*” at which time the prophecies in Daniel are to be “*unsealed*” and that the “*wise will understand.*” Various Charts are developed to show what significant Prophetic Mileposts the reader should be aware of as Endtime events unfold. The chapter then concludes with possible “*Signs in the Heavens*” that may corroborate these **Endtime Timelines**.

## Chapter 11 – End of 7 Week?

---

Possibly some of the most **exciting discoveries** in the book are now discussed. By referring to one of the wisest men who ever lived (Sir Isaac Newton) and his interpretation of the book of Daniel, the reader is shown that the prophecies in Daniel may actually be referring to both the 1<sup>st</sup> Coming and the 2<sup>nd</sup> Coming of Jesus. The author then reveals a unique new summary of Daniel 9:24-27, which is shown to reflect 7 different and distinct prophecies all fulfilled or to be fulfilled by Jesus Christ (this one chart could be worth the price of the book).

With several possibilities for the timing of Endtime events, the Chapter ends with Newton’s wise reminder: “Let Time be the Interpreter.” Since we don’t know the exact time for certain, we always need to be “*Watching*” and “*Praying*” as Jesus instructed us in order to be prepared and ready when He returns to take us home to be with Him (Luke 21:34-36).

## Chapter 12 – Preparation for Days Ahead

---

This book concludes its study of the prophecies in Daniel and Revelation with the recognition that the Church has been lulled to sleep by the “*Left Behind*” mindset which tells them Jesus is coming to Rapture all Believers and they don’t need to be concerned about their lives. The time of the end is at hand and Jesus is returning for those who are

“*looking for Him*” and those who are “*filled with the Spirit.*” Those Believers who have not been obedient and allowed their carnal nature to rule their lives will be left behind when Jesus comes for His devoted Bride.

The reader is reminded that all Believers will be required to give an account of their lives at the Judgement Seat of Christ and this chapter then reviews the 5 Crowns that all Christians should be striving to earn. The reader is shown how each of these Crowns can be obtained and how they can be lost if the Believer is not careful. The parable in Matthew 25 is reviewed followed by our Lord’s instruction to all Believers living in the Endtimes:

“**Watch** ye therefore, and **pray always**, that ye **may be accounted worthy to escape** all these things that shall come to pass, and to stand before the Son of man.” (Luke 21:34-36)

## Appendix

---

**A – Sign of Christ’s Coming** This section summarizes the incredible finding of what significant event recently took place which was the specific Sign that Jesus said would announce His soon Return! (This is a New discovery made in 2007 by the author).

**B – Of the Prophecies of the Seventy Weeks** Sir Isaac Newton’s interpretations of Daniel’s prophecies are included in this section because of their uniquely **non-traditional** view. Written around 1700, his analysis is not polluted by the current human traditions that have developed. Newton’s fresh “new” insight is indeed most refreshing, but much more importantly: Timely!

**C – Outline of Book of Revelation** This brief summary is included for the Bible student who wants to study the prophecies in the book of Revelation on their own.

**D – Watching For Jesus** This section reviews some of the things “*Watching*” entails:

- 1) Being aware of the prophetic signs in God’s Word.
- 2) Living a life of Holiness before our Lord.
- 3) Living a life separated from the world.
- 4) Encouraging one another with the wonderful Hope of His soon return.
- 5) Telling others Jesus is coming soon and their need to be ready.
- 6) Praying the prayer Jesus taught us to pray in Luke 21:34-36

**E – God’s Feast Days** This section provides the actual days of the major feasts from 2007 to 2017. It is available for the reader to develop their own Endtime timelines for years not covered by the book.
