

Prophecy Countdown

Biography

Prophecy Countdown began back in 1989 with Jim and Cindy Harman producing a monthly newsletter designed to help prepare the Bride of Christ for the return of our wonderful Bridegroom. All of their newsletters and books are written to encourage believers in Christ to know the joy of Christ's triumph in their life as they become true overcomers, qualified and ready to rule and reign with Christ in the coming Kingdom. The message of all their books and website is to get ready.... Jesus is returning very soon.

Jim's first book was *The Blessed Hope* in 1989 followed by *The Coming Spiritual Earthquake* in 1992. Both books were widely distributed across the United States and around the world as Jim's early ministry included appearances on numerous radio and television programs across America.

In 1996, at Ray Brubaker's famous *International Prophecy Conference*, Jim shared the message of our Lord's return for his bride. Jim shared the stage with some of the leading prophecy scholars and teachers of our day (Jack Van Impe, Tim Lahaye, Grant Jeffrey, J.R. Church, Perry Stone, David Breese, Terry Cook, Peter Lalonde and Joe Van Koevering).

In July 2000, Jim and Cindy were forced to break from the ministry when their beautiful daughter broke her neck in a diving accident and they became her primary caregivers. Since then, their daughter has gone on to become an inspiration to other quadriplegics, obtaining her Master's degree in counseling. Her life has been a testimony of our Lord's love and faithfulness, teaching us how to overcome one of life's greatest challenges.

In 2007 Jim resumed the ministry the Lord gave him; restarting their website and writing again as the Lord has led with such titles as *Don't Be Left Behind*, *The Kingdom*, *Overcomers Guide to the Kingdom*, *Calling All Overcomers*, *Come Away My Beloved*, and *Daniel's Prophecies Unsealed*.

As we near the time of the second coming, Jim was inspired to write the lyrics to *Looking for the Son*, which describes the vital importance of watching for Christ's return and the consequences for those who are not looking. This important new song blends the Grammy-winning mega-hit tune of *Rolling in the Deep* with impelling Christian lyrics designed to motivate and inspire revival. This song will spark a flame of fire in the hearts of people to get ready for Christ's return. Jesus is coming again very soon; this song proclaims the wonderful hope (Titus 2:13) for those who are eagerly looking for Him.
