

LOOKING FOR THE SON

Lyrics by Jim Harman © Prophecy Countdown Publications, LLC

Lyric

*There's a fire burning in my heart
Yearning for the Lord to come,
and His Kingdom come to start
Soon He'll come.....so enter the narrow gate
Even though they mock me now...
He'll come to set things straight
Watch how I'll leave in the twinkling of an eye
Don't be surprised when I go up in the sky*

*There's a fire burning in my heart
Yearning for my precious Lord
And His Kingdom come to start*

*The love of this world, has forsaken His
It leaves me knowing that they could have had it all
The love of this world, it is so reckless
I can't help thinking
They could have had it all*

*Looking for the Son
(Tears are gonna fall, not looking for the Son)
They had His holy Word in their hand
(You're gonna wish you had listened to me)
But they missed it...for themselves
(Tears are gonna fall, not looking for the Son)*

*Brother, I have a story to be told
It's the only one that's true
And it should make your heart turn
Remember me when I rise up in the air
Leaving my home down here
For true Treasures beyond compare
The love of this world, has forsaken His
It leaves me knowing that you could have had it all
The love of this world, is so reckless
I can't help thinking
You could have had it all*

Lyric

Looking for the Son

(Tears are gonna fall, not looking for the Son)

You had His holy Word in your hand

(You're gonna wish you had listened to me)

And you missed it...for your self

(Tears are gonna fall, not looking for the Son)

You could have had it all

Looking for the Son

You had His holy Word in your hand

But you missed it... for your self

Lov'n the world....not the open door

Down the broad way... blind to what life's for

Turn around now...while there is still time

Learn your lesson or you'll reap just what you sow

(You're gonna wish you had listened to me)

You could have had it all

(Tears are gonna fall, not looking for the Son)

You could have had it all

(You're gonna wish you had listened to me)

It all, it all, it all

(Tears are gonna fall, not looking for the Son)

You could have had it all

(You're gonna wish you had listened to me)

Looking for the Son

(Tears are gonna fall, not looking for the Son)

You had His holy Word in your hand

(You're gonna wish you had listened to me)

But you missed it...for your self

(Tears are gonna fall, not looking for the Son)

You could have had it all

(You're gonna wish you had listened to me)

Looking for the Son

(Tears are gonna fall, not looking for the Son)

You had His holy Word in your hand

(You're gonna wish you had listened to me)

But you missed it

You missed it

You missed it

You missed It...for your self
