

AUTHOR BIOGRAPHY

I have been a Christian for more than 43 years and I have diligently studied the Word of God with a particular emphasis on Prophecy. Prophecy Countdown began back in 1989 when my wife Cindy and I produced a monthly newsletter designed to help prepare the Bride of Christ for the return of our wonderful Bridegroom. All of our newsletters and books are written to encourage believers in Christ to know the joy of Christ's triumph in their life as they become true overcomers, qualified and ready to rule and reign with Christ in the coming Kingdom.

My first book was *The Blessed Hope* in 1989 followed by *The Coming Spiritual Earthquake* in 1992. Both books were widely distributed across the United States and around the world as my early ministry** included appearances on numerous radio and television programs across America.

In 1996, at Ray Brubaker's famous *International Prophecy Conference*, I shared the message of our Lord's return for his bride, and I was honored to share the stage with some of the leading prophecy scholars and teachers of our day (Jack Van Impe, Tim Lahaye, Grant Jeffrey, J.R. Church, Perry Stone, David Breese, Peter Lalonde, and Joe Van Koevering).

In July 2000, my wife and I were forced to break from the ministry when our beautiful daughter broke her neck in a diving accident and we became her primary caregivers. Since then, she has gone on to become an inspiration to other quadriplegics, obtaining her Master's degree in counseling. Her life has been a testimony of our Lord's love and faithfulness, teaching us how to overcome one of life's greatest challenges.

In 2007, I resumed the ministry the Lord gave me; restarting our website and writing again as the Lord has led. While I have authored fourteen books, my most successful title has been *Daniel's Prophecies Unsealed*, which has sold over 10,000 copies and it has continued to rank in the Amazon Top 10 Best Selling Books under Christian Old Testament Commentaries from 2018 to 2022. It has received over 500 positive reviews and ratings with an average rating of 4.5.

The Final Countdown is a sequel to *Daniel's Prophecies Unsealed* and is expected to be one of the most important works of my writing ministry.

** My professional background included a successful career as both a Certified Public Accountant (CPA) and a Certified Property Manager (CPM) and I had experience in both public accounting and financial management with several well-known regional and national firms.
