

## CHAPTER SUMMARIES

### **Chapter 1 – The End Is Near: *Is Jesus Christ Your Lord and Saviour?***

While the main audience for this book is those who have come to know Jesus Christ as their personal saviour, this important chapter explains what a person needs to do to be saved. It also directs the reader to the Special Invitation section at the end of the book where they can become a Christian before reading the remainder of the book.

### **Chapter 2 – Timing of Christ’s First Coming: *Seventy-Sevens after the First Decree***

This chapter outlines what is known as the Messianic view of Daniel’s Seventy Weeks, which was taught from the time of the early church. This view shows that Daniel’s 70 weeks were completed at the time of Christ’s first coming.

### **Chapter 3 – Suleiman the Magnificent: *God’s Vessel to Rebuild Jerusalem***

This chapter reveals the astonishing finding Dr. Christian Widener made that a man known as Suleiman the Magnificent was God’s chosen instrument to initiate another decree to rebuild the walls of Jerusalem in 1537. This was to fulfill a prophecy by Isaiah: “*Foreigners will rebuild your walls, and their kings will serve you*” (Isaiah 60:10).

### **Chapter 4 – Timing of Christ’s Second Coming: *The Final Decree Everyone Missed***

This chapter demonstrates how Sultan Suleiman’s decree started the Second Fulfillment of Daniel’s 70 weeks. Calculations, pictures, and charts are used to explain Dr. Christian Widener’s findings that Jesus will return before this decade is over (please see Excerpt from Chapter 4).

### **Chapter 5 – The Timing of the Rapture: *The Two Phases Jesus Taught***

Our Lord Jesus Christ taught His disciples that He will come for His Church in two phases. This important chapter will have a direct impact on people’s lives when they discover the two places where He discussed the coming Rapture.

### **Appendix 1 – Daniel’s 70 Weeks**

This appendix is an excerpt from *Daniel’s Prophecies Unsealed* to give the reader a summary of how Jesus Christ fulfilled the 70 Weeks of Daniel at His first coming.

### **Appendix 2 – The Abominations of Desolations**

This appendix summarizes the four different occurrences of the term “Abomination of Desolation” that can be found in the book of Daniel:

False Prophet	Daniel 8:11-14
Destruction of Jerusalem	Daniel 9:27
Antiochus Epiphanes	Daniel 11:31
Antichrist	Daniel 12:11

This is important because the Antichrist will cause the *abomination of desolation* when he arrives in Jerusalem claiming to be God at the very start of the great tribulation. The Apostle Paul described the Antichrist as follows:

*(3) that man of sin be revealed, the son of perdition; (4) Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God* (2 Thessalonians 2:3-4).

### **Appendix 3 – The Temple Mount**

A big question people have regarding the timing of end-time events is how can the Antichrist proclaim himself to be God in the temple when the temple has not been built. A related question is how can he confirm a peace treaty that has already been signed. The purpose of this appendix is to address these types of questions and provide some plausible explanations.

### **Appendix 4 – Abraham Accords**

One of the major (behind the scenes) architects of the Abraham Accords was Jared Kushner who was President Donald J. Trump's key draftsman and negotiator. His talents as President Trump's senior advisor helped broker four historic peace agreements that prior Presidents were unable to achieve. His successful negotiation of the Abraham Accords was the most significant diplomatic breakthrough in fifty years and earned him a nomination for the Nobel Peace Prize.

In Jared Kushner's recent book: *Breaking History* he provides us with distinctive evidence that God's hand was at work in bringing together several of Israel's neighbors to the peace table. 2020 was a momentous year when the course of history was changed. The important peace accords that were made with many nations marked 2020 as the start of the final 70<sup>th</sup> Week in the Second Fulfillment of Daniel's Seventy Weeks prophecy. These covenants occurred 483 years (69 Weeks x 7) after Sultan Suleiman's decree in 1537. The final countdown began in 2020, with the signing of these notable peace covenants.

If anyone has any doubts about this they should read Jared Kushner's remarkable book. God's hand was clearly at work in fashioning the peace covenants outlined in the Abraham Accords.

This appendix also gives compelling evidence that there are at least two references in Scripture that point to Jubilee Years and it also reveals when the next Jubilee will occur.

### **Appendix 5 – Signs of Christ's Coming**

This appendix was a Tract that we produced back in 1997 when Comet Hale-Bopp appeared. The Lord showed us the calculations that prove Comet Hale-Bopp was the same comet that appeared to Noah 120 years before the flood (Genesis 6:3). When this famous comet passed through our solar system in 1977, it was hailed as the most-watched comet of all time. We have been proclaiming this comet as an important sign of Christ's return ever since it appeared back in 1997.

In 2027 it will be the 30<sup>th</sup> Anniversary of its last appearance. Bullinger wrote, "30, being 3x10 denotes in a higher degree the perfection of Divine order, as marking the **right moment**. Christ was thirty years of age at the commencement of His ministry. David was also 30 when he began to reign." (Bullinger, p. 265).

Was Comet Hale-Bopp giving us a sign that the bride of Christ is about to begin her reign and Christ will return in 2027? **Is this further corroboration that 2027 will be the time for Christ's Second Coming?** (See Ezekiel 33:1-6).
