

The Temple Mount is one of the most valued pieces of real estate in the world, which will take center stage as **The Final Countdown** explores how events we are witnessing today will reach their final conclusion before this decade is over.

After the desolation of Jerusalem in 70 AD, the Holy City was in a state of disrepair and ruins until 1517, when the Ottomans took control for the next four centuries. Sultan Suleiman soon became the ruler who was given a dream that he was to rebuild the walls of Jerusalem and beautify the Temple Mount. Known as Suleiman the Magnificent, he was God's chosen vessel to fulfill Isaiah's prophecy (Isaiah 60:10) of rebuilding God's Holy City of Jerusalem. In 1537 he issued a decree to restore the Temple Mount and preserved his decrees on stone plaques, providing a permanent record, etched in stone.

This book demonstrates shocking new evidence how President Donald Trump initiated the final peace initiative alluded to by the Prophet Daniel. His **Peace to Prosperity** plan along with the **Abraham Accords** began the Final Countdown. You will learn how these covenants made in 2020 relate to Suleiman's decree in 1537, and how the Second Fulfillment of the Seventy Weeks of Daniel is playing out in the events happening today.

Jesus warned us that the time of the **great tribulation** will be unlike any other time since the world began. This timely book reveals that the world will witness the Antichrist making his appearance on the Temple Mount (Matthew 25:15, 21) in the very near future.

Now is the time to prepare and help others prepare before the time of **great tribulation** arrives. Jesus provides a way of escape for those **blameless** believers who are ready. The purpose of this book is to help you prepare while there is still time!
