

Jesus Is Coming Soon!

WILL YOU BE READY ?

Dr. Christian Widener

Dr. Christian Widener first book:
The Temple Revealed answered
the question of where the Temple
was located on the Temple Mount.

Josh McDowell wrote in the Foreword: “*The implications of his findings are nothing short of world-changing.*”

Daniel's Vision Has been Unsealed

While doing his research for *The Temple Revealed*, Dr. Widener discovered a Decree on the Temple Mount everyone missed.

He learned that God foreknew and ordained a Second Fulfillment to the Seventy Weeks of Daniel.

**... IT WILL BE BUILT AGAIN WITH PLAZA
AND MOAT...(Daniel 9:25)**

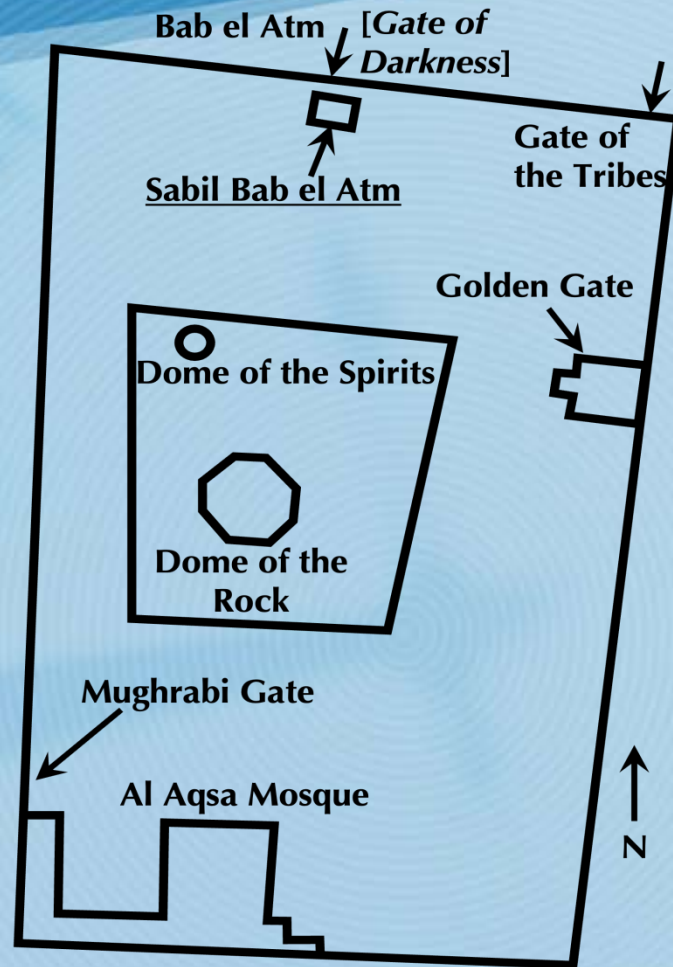

**Daniel 9:25 mentions two specific
structures that would be restored,
a Plaza and Moat.**

**Scholars have often wondered
exactly what this meant?**

Now we know....

Dr. Widener discovered where this Moat near the Tower of David was repaired and Decree written on a stone plaque by Sultan Suleiman. While this decree did not have a date when it was restored, the next two slides will show a Decree on the Plaza of the Temple Mount that does have a date.

Dr. Widener discovered an actual Decree made in AD 1537 by Sultan Suleiman. It is located at the north end of the Temple Mount about 15 meters south of the Gate of Darkness.

Dr. Widener discovered this actual Decree made in AD 1537 by Sultan Suleiman, that everyone missed located on the Plaza of the Temple Mount in plain sight.

(The full translation of this Decree is quoted in the book)

Second Fulfillment of Daniel 9.

*So you are to know and discern that from the issuing of a decree to restore and rebuild Jerusalem until Messiah the Prince there shall be **seven weeks** and **sixty-two weeks**; it will be built again, with **plaza** and **moat**...*

(Daniel 9:25 – NASB)

If we multiply 69 weeks (7 weeks + 62 weeks) times 7, we get 483 years. And if we go forward **483 years from AD 1537, we arrive at 2020!**

If the **Second Fulfillment** is true, then there should be evidence that **something significant happened in 2020.**

Second Fulfillment of Daniel 9 (cont'd)

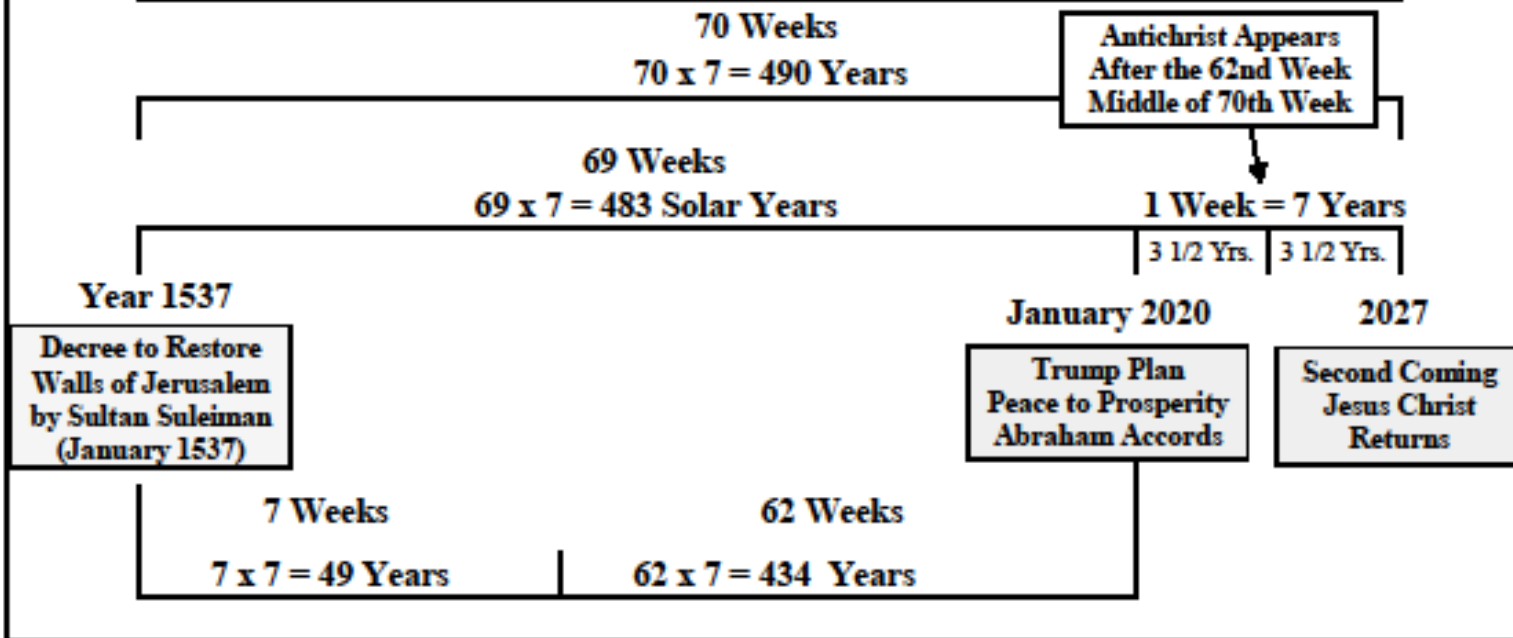

Remember **President Donald Trump** sponsored the **Israel-Palestine peace plan** on January 28, 2020, and later that same year the *Abraham Accords* were signed by **four separate nations**: U.A.E., Bahrain, Morocco and Sudan.

The Second Fulfillment of Daniel's Prophecy may have begun the final 7-year period in 2020. While a seven-year time limit on the agreements is not explicit in the text, the **Bible may say 7 years because that is all the time that remains.**

An agreement at the start of the period would be *de facto* a **seven-year agreement.**

Second Fulfillment of 70 Weeks Completed 2020 to 2027 - Return of Jesus Christ

Messianic View of the 70 Weeks of Daniel

From the time of the early church, Daniel's Seventy weeks Prophecy has applied to **Jesus Christ** being the one to fulfill the prophecy. This is known as the **Messianic view** and was considered the accepted doctrine from the time of Jerome.

The following are some of the prominent expositors of God's Word who taught that the Seventy Weeks of Daniel applied to our Lord and Savior Jesus Christ and not the Antichrist: Albert Barnes, B.H. Carroll, Ian M. Duguid, A.R. Fausset, Sinclair B. Ferguson, Curtis Hahn, Matthew Henry, E.W. Hengstenberg, Clarence H. Hewitt, Saint Jerome, Philip Mauro, Sir Isaac Newton, J.E.H. Thomson, John Urquhart, Ralph Woodrow and Edward J. Young.

Messianic View of the 70 Weeks of Daniel

The Messianic View was recently changed by men such as Sir Robert Anderson and C.I. Schofield. As time passed other writers such as Larkin, Ironside, Pentecost and Walvoord wrote prophetic books following their faulty interpretation, which has become the basis for today's popular teaching.

We thoroughly document in our book how the Seventy weeks Prophecy has applied to **Jesus Christ** as being the one to fulfill the prophecy. This **Messianic view** is shown on the following chart.
