*Therefore, when you see the **abomination of desolation**, spoken of by Daniel the prophet, **standing in the holy place** (whoever reads, let him understand)...21) For then there will be **great tribulation**, such as has not been since the beginning of the world until this time, no, nor ever shall be.” --Matthew 24:15, 21*

NRB: NASHVILLE, February 20, 2024 – Could a prophecy long-ignored in 2 Esdras that ties to prophecies in Daniel suggest the Lord may return as soon as 2027?

James Harman, author of the just-released book, ***Esdra's Three-Headed Eagle***, believes it could. Furthermore, given the likely references in the prophecy to nations in the world, including the United States, Harman also believes the prophecy could even have implications for the outcome of the 2024 Presidential election.

In his new book, Harman shares the results of his intense study of the prophecy outlined in 2 Esdras chapters 11 and 12 and how it ties to prophecies in Daniel.

The writer of Esdras describes the actions of a ruling three-headed Eagle, and references Daniel. The Eagle is understood by many to refer to the United States as the fourth beast of Daniel's visions. Harman's understanding of actions of the three-headed Eagle and other beasts in Esdras leads him to anticipate a radical change in our nation

with 2024 and world-shattering events caused by the appearance of the antichrist disrupting governments worldwide. If that occurs, Harman believes, then the timeline would suggest Christ's return around 2027.

Harman has spent years studying the book of Daniel as he believes it holds the final key to the Second Coming. His heartfelt desire is to draw the attention of the church to preparing for Christ's return.

In a view shared by many other Christians, geo-political events in recent years intensified his belief that we may be seeing the fulfillment of prophecies that will precede the Second Coming of Christ.

Among other things, Harman points to actions during President Trump's first term of office, including Trump's Peace to Prosperity Plan and establishment of the Abraham Accord in 2020, that could have possibly set in motion the final peace initiative alluded to by the Prophet Daniel.

Harman began writing about his study of Daniel more than 10 years ago. In 2018, he published ***Daniel's Prophecies Unsealed: Understanding the Time of the End***, a book that has sold more than 10,000 copies to date.

Last year he published what was to become the second book of the series, ***Daniel's Prophecies Unsealed: The Final Countdown***. In it, he describes how The Temple Mount in Jerusalem, ground on which the last Jewish temple stood, could soon become center stage as events during these closing years come to their final conclusion and the Antichrist ushers in the time Jesus described as Great Tribulation.

"Daniel was given five visions," Harman said. "Once you understand them, you see – these five visions are being fulfilled in the world today. And a lot of people are going to be surprised."

In 1 & 2 Esdras, books in the Apocrypha, Harman found more about Daniel's prophecies and the more he studied the more he saw possible meaning of the prophecies that further reinforced his views about the End Times.

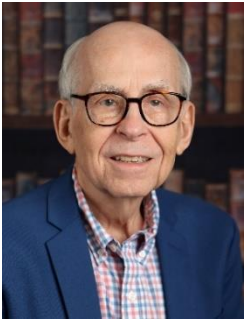

"Jesus provides a way of escape for those believers who are ready," Harman said. "The purpose of these books the Lord has given me to write is to help its readers prepare to escape a time that Jesus said would be like no other time in all of human history."

At his website, ProphecyCountdown.com, Harman offers many of the books he has written in a PDF version at no charge, in order that the message gets into as many hands as possible.

Daniel's Prophecies Unsealed: Esdra's Three-Headed Eagle (ISBN 978-1-7332995-8-9) is the third and final book in the **Daniel's Prophecies Unsealed** series and released in January from Prophecy Countdown Publications. Along with the first two books in the series, ***Daniel's Prophecies Unsealed: Understanding the Time of the End***, ***Daniel's Prophecies Unsealed: The Final Countdown***, books are also available on Amazon.

Author Bio: James T. Harman

The Final Countdown

Jim has been a Christian for more than 45 years and has diligently studied the Word of God with a particular emphasis on Prophecy. Prophecy Countdown began back in 1989 when he and his wife Cindy produced a monthly newsletter designed to help prepare the Bride of Christ for the return of the Bridegroom. All of their newsletters and books are written to encourage believers in Christ to know the joy of Christ's triumph in their life as they become true overcomers, qualified and ready to rule and reign with Christ in the coming Kingdom.

His first book was *The Blessed Hope* in 1989 followed by *The Coming Spiritual Earthquake* in 1992. Both books were widely distributed across the United States and around the world as his early ministry included appearances on numerous radio and television programs across America.

In 1996, at Ray Brubaker's famous International Prophecy Conference, he declared the message of our Lord's return, and shared the stage with leading prophecy scholars and teachers of our day (Jack Van Impe, Tim Lahaye, Grant Jeffrey, J.R. Church, Perry Stone, David Breese, Peter Lalonde, and Joe Van Koevering).

After a tragic accident to his daughter in 2000 he was forced to take a break from the ministry. In 2007, he resumed the work the Lord gave him, restarting their website and writing again as the Lord led.

His professional background included a successful career as both a Certified Public Accountant (CPA) and a Certified Property Manager (CPM) and he had experience in both public accounting and financial management with several well-known regional and national firms.

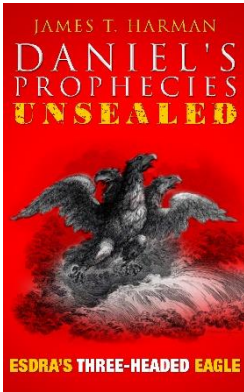

While he has authored fourteen books, his most successful title has been Amazon bestseller *Daniel's Prophecies Unsealed: Understanding the Time of the End* which has sold more than 10,000 copies to date. That book also became the first of a three-part series, which culminated in 2024 with publication of *Daniel's Prophecies Unsealed: Esdra's Three-Headed Eagle*.

In 2023, Jim's beloved daughter, Jennifer, who had lived with a disability caused by her accident in 2000, became hospitalized with what would prove to be her final illness. While daily sitting at her bedside for nearly two months, Jim began a study of Esdras that led to writing the third and final book, *Daniel's Prophecies Unsealed: Esdra's Three-Headed Eagle*. He dedicates the book to her and the inspiration and hope she gave to so many.

Interview Questions

Esdra's Three-Headed Eagle

by James T. Harman

Host: So what do you think? Are we truly in the last days?

Generations of Christians have longed for the day of Christ's promised return, and many have studied scriptures, especially books of prophecy, seeking for clues and longing for the day to come.

Our guest today, best-selling author Jim Harman, is among those passionate about studying prophecy, especially in the book of Daniel. And he thinks it's getting very close. We'll let him explain his reasoning.

He had already written two books about this when last year he made an amazing discovery of a long-overlooked prophecy he believes has implications for our world in 2024 and the Lord's return.

Before we let him tell us about it, we've got to touch on one other thing. Jim's overall message emphasizes one thing. Regardless of the exact time, he asks a vital question: Are you ready?

Let's explore these ideas and let Jim explain his thinking.

Welcome, Jim.

Q. This is a fascinating topic. Christians have been looking for Christ's return for centuries. What's different about this time – why do you and others feel the end times are near?

Q. What is this new discovery you made ...from 2 Esdras? What is 2 Esdras?

Q. In simple terms, what does this mean for you and me in 2024?

Q. Why do you think God gave you this mission to share with the world?

Q. Doesn't the Bible say that no one is to know when the Lord is going to return? Isn't the day of His returning going to be "as a thief in the night"?

Q. Isn't it wrong to discuss dates? Couldn't you be wrong?

Q. Your latest book is the third in a series, all related to Daniel's prophecies. Tell us about them. We understand the first book, *Daniel's Prophecies Unsealed*, has received Amazon Top10 Bestseller honors, and sold more than 10,000 copies to date. Why is this topic so compelling?

Q. Your second book, *The Final Countdown*, is a sequel and the result of a cooperative relationship you have with Dr. Christian Widener, a biblical scholar and engineer, to spell out for the church the possible time frame for the second coming. What is the premise?

Q. Not everyone knows these prophecies as well as you do. Will Christians also suffer during the Great Tribulation? How and when does the Rapture figure in here?

Q. I'd like to discuss just two more things. First of all, it's possible not everyone listening really understands the significance of Jesus' second coming. What do you mean when you say, "Will you be ready?"?

Q. And then I want to touch on the reality of heaven and your own life. I understand that this study you did of 2 Esdras is also incredibly special to you because of where you were and why you had time to do this study. Tell us about that holy space and about your daughter Jennifer.

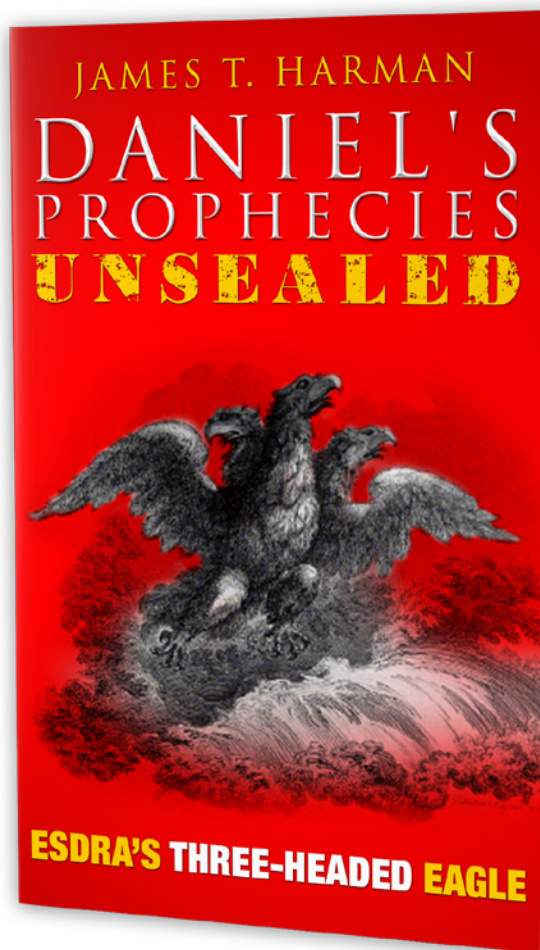

Q. Thanks for being with us. Before we let you go, how can our listeners connect with you and buy your books?

WHAT READERS ARE SAYING

Jim Harman's book *Ezdra's Three-Headed Eagle* draws upon a prophecy in one of the apocryphal books that seems to describe America. It will inspire you to be a "watcher" and wake up your Christian friends who are "asleep in the night." The most important chapter in the book is The Timing of the Rapture-The Two Phases Jesus Taught. Understanding this will motivate you to be the bride. I highly recommend every believer get this book, read it, and pass it to a Christian friend. Time is short. Many foolish virgins need to "wise up."

Daniel Rydstedt
Author of *Be The Bride & The Message of the Hour*

Enjoyed reading *Ezdra's Three-Headed Eagle*. It is very logical and thought-provoking. While I don't have the same take as Jim Harman does, we both agree that Jesus is the Lion roused from the forest, who will come to judge and destroy these three heads of the Eagle (2 Esdras 12:31-33).

Rev. Barbara M. Shobl-Legee
Author of *Prophecy About Biden - Bye, Bye, Biden*

Habakkuk 1:5 "Look at the nations and watch—and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told." I began reading *Ezdra's Three-Headed Eagle* and could not put it down. I'm "utterly amazed" as Hab. 1:5 mentions at the revelation of scripture and the things that are fast approaching described! I encourage everyone to read this book! I thank the author, James Harman, for being obedient to the Lord and writing it. God is faithful to allow His people to know the future through the unveiling of His Word!

T.Ruth - Orlando, FL

Ezdra's Three-Headed Eagle demonstrates how Bible prophecy is relevant to Christians living here and now. It emphasizes that we are living in the final season of the Lord's return. Get ready.

Pastor Remegio C. Blanco - Harvesters Mission
Sta. Maria, Pangasinan The Philippines

Thanks for the new book *Ezdras Three-Headed Eagle*. I have read enough of it to know that you are on to something big! I agree in most part with your findings. The Lord is using you mightily in these final days.

Gerry Almond - Swansea, IL

Thought-provoking! If Jim Harman is correct, we are very near to the return of Christ.

James S. Hollandsworth, pastor
Author of *The End of the Pilgrimage*
