ABOUT THE AUTHOR JAMES HARMAN

Jim has been a Christian for more than 43 years and has diligently studied the Word of God with a particular emphasis on Prophecy. Prophecy Countdown began back in 1989 when he and his wife Cindy produced a monthly newsletter designed to help prepare the Bride of Christ for the return of our wonderful Bridegroom. All of their newsletters and books are written to encourage believers in Christ to know the joy of Christ's triumph in their life as they become true overcomers, qualified and ready to rule and reign with Christ in the coming Kingdom.

His first book was *The Blessed Hope* in 1989 followed by *The Coming Spiritual Earthquake* in 1992. Both books were widely distributed across the United States and around the world as his early ministry*** included appearances on numerous radio and television programs across America.

*** His professional background included a successful career as both a Certified Public Accountant (CPA) and a Certified Property Manager (CPM) and he had experience in both public accounting and financial management with several well-known regional and national firms.

In 1996, at Ray Brubaker's famous *International Prophecy Conference*, he shared the message of our Lord's return for his bride, and he was honored to share the stage with some of the leading prophecy scholars and teachers of our day (Jack Van Impe, Tim Lahaye, Grant Jeffrey, J.R. Church, Perry Stone, David Breese, Peter Lalonde, and Joe Van Koevinger).

After a tragic accident to his daughter in 2000 he was forced to take a break from the ministry. In 2007, he resumed the work the Lord gave him; restarting their website and writing again as the Lord led. While he has authored fourteen books, his most successful title has been *Daniel's Prophecies Unsealed*. He believes God has called him to join Dr. Christian Widener in sounding the alarm. *The Final Countdown* outlines the shocking news that *God foreknew and ordained another decree that everyone missed* in Daniel's wonderful prophecy.

15) Therefore when you see the abomination of desolation, spoken of by Daniel the prophet, standing in the holy place (whoever reads, let him understand)...21) For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. (Matthew 24:15, 21)

QUESTIONS AND ANSWERS

How did you come about writing this book?

I really had not planned on writing another book, but in the spring of 2022, we republished Lyn Mize's book: *The Open Door*. Lyn was one of my closest friends who went to be with the Lord in 2011. We felt that the Lord wanted us to make his book available to the Church. The same week that it was introduced on Amazon we discovered another important book written by Dr. Christian Widener titled: *Witnessing the End - Daniel's Seventy Sevens and the Final Decree Everyone Missed*. We immediately contacted him and he has allowed us to condense his important message to alert everyone to his remarkable findings.

Dr. Christian Widener discovered another decree regarding the prophecy in the book of Daniel that everyone missed. Please tell us a little more about this.

In Dr. Widener's award-winning first book: *The Temple Revealed*, he uncovered where the Temple was located on the Temple Mount. Josh McDowell wrote in the Foreword: "the implications of his findings are nothing short of world-changing." While doing his painstaking research he learned that the city of Jerusalem and its walls had been rebuilt a *second time* in the period from 1537 to 1541 by Sultan Suleiman. He then discovered that Suleiman's decrees had been etched on stone plaques providing us with a permanent record. By connecting the dots back to the prophecy in Daniel he has been able to *unseal* the final key to the book of Daniel: God foreknew and ordained another decree that everyone missed.

REVIEWS OF DANIEL'S PROPHECIES UNSEALED

I am so very grateful for Jim Harman's books since the 1990's, including his new writing on Daniel. No question about it – he was raised up by God for those Christians in the last days that hunger and thirst for God's righteousness after we've been born into God's family.

Joan Olsen – Yukon, Oklahoma

Wow. Charles Spurgeon wrote about a book on Daniel and the Apocalypse by the famed Sir Isaac Newton and now James Harman, who has written extensively on prophecy, has distilled its message for us today. *You won't find this explanation anywhere else.*

Pastor Jimmy Reagan – Leesville, SC
Author of *Obadiah: Showing the Path of Peace*

WHAT READERS ARE SAYING

The book *The Final Countdown* is a work that is needed now in our time. It clearly shows new information about bible prophecies that was locked up until these latter days. The book clearly shows how close we have come to the Lord's return and begs the question – are you ready? Are you ready to stand before the Lord, and are you ready: spiritually, emotionally, and physically prepared? If you are, and especially if you are not, this book is a must-read for you to understand what is at your doorstep.

John Zajac – San Jose, CA
Author of *The Delicate Balance*

Thank you for allowing me to review *The Final Countdown*. May God bless you and your ministry until the day we all go home. It is interesting to note that most tried to end the count (as in the “Coming Prince”) with the death of Jesus. I think the end of the 483 years was at the beginning of His ministry. I fully agree with your book. My prayer is that the rapture takes us all before more sorrow is heaped upon us, His children.

Gerry Almond – Swansea, IL

Your time frame matches up with mine. My premise was that the birth pangs started in 1990 when Saddam invaded Kuwait, starting the prophecy about “Rumors of Wars,” which I believe started then. I then added my interpretation in Rev. 17:10, which I believe started at the same time with five kings: Bush Senior, Clinton, Bush Junior, Obama, and Trump for a total of 5. One is now, which is Biden and one is to come, which will be the Antichrist. That will come in the spring of 2024 with Jesus returning in the fall of 2027, which matches up to *The Final Countdown*.

Lyndon Navarre – Port St. Lucie, FL

There is an exciting intersection between your models and my preferred ones. Per your Jubilee and Comet Hale-Bopp models, the year 2027 would be a very plausible time for Jesus to come in conclusion to the tribulation. Per my preferred models for asteroid Apophis, 2027 is a very reasonable year for the Lord to return. *Regardless of the preferred model, they conjoin to urge the Bride to prepare for Her union with Her Groom.* A most interesting necessary precondition of your models, as you noted, is that the animal sacrifices will need to begin sometime this year or early 2024 at the latest. If that does occur, the plausibility of your models is pragmatically increased.

WHAT READERS ARE SAYING

Jim Harman's book *Ezdra's Three-Headed Eagle* draws upon a prophecy in one of the apocryphal books that seems to describe America. It will inspire you to be a "watcher" and wake up your Christian friends who are "asleep in the night." The most important chapter in the book is The Timing of the Rapture-The Two Phases Jesus Taught. Understanding this will motivate you to be the bride. I highly recommend every believer get this book, read it, and pass it to a Christian friend. Time is short. Many foolish virgins need to "wise up."

Daniel Rydstedt
Author of *Be The Bride & The Message of the Hour*

Enjoyed reading *Ezdra's Three-Headed Eagle*. It is very logical and thought-provoking. While I don't have the same take as Jim Harman does, we both agree that Jesus is the Lion roused from the forest, who will come to judge and destroy these three heads of the Eagle (2 Esdras 12:31-33).

Rev. Barbara M. Shobl-Legee
Author of *Prophecy About Biden - Bye, Bye, Biden*

Habakkuk 1:5 "Look at the nations and watch—and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told." I began reading *Ezdra's Three-Headed Eagle* and could not put it down. I'm "utterly amazed" as Hab. 1:5 mentions at the revelation of scripture and the things that are fast approaching described! I encourage everyone to read this book! I thank the author, James Harman, for being obedient to the Lord and writing it. God is faithful to allow His people to know the future through the unveiling of His Word!

T.Ruth - Orlando, FL

Ezdra's Three-Headed Eagle demonstrates how Bible prophecy is relevant to Christians living here and now. It emphasizes that we are living in the final season of the Lord's return. Get ready.

Pastor Remegio C. Blanco - Harvesters Mission
Sta. Maria, Pangasinan The Philippines

Thanks for the new book *Ezdras Three-Headed Eagle*. I have read enough of it to know that you are on to something big! I agree in most part with your findings. The Lord is using you mightily in these final days.

Gerry Almond - Swansea, IL

Thought-provoking! If Jim Harman is correct, we are very near to the return of Christ.
