## ABOUT THE AUTHOR JAMES HARMAN

Jim has been a Christian for more than 47 years and has diligently studied the Word of God with a particular emphasis on Prophecy. Prophecy Countdown began back in 1989 when he and his wife Cindy produced a monthly newsletter designed to help prepare the Bride of Christ for the return of our wonderful Bridegroom. All of their newsletters and books are written to encourage believers in Christ to know the joy of Christ's triumph in their life as they become true overcomers, qualified and ready to rule and reign with Christ in the coming Kingdom.

His first book was *The Blessed Hope* in 1989 followed by *The Coming Spiritual Earthquake* in 1992. Both books were widely distributed across the United States and around the world as his early ministry\*\*\* included appearances on numerous radio and television programs across America.

\*\*\* His professional background included a successful career as both a Certified Public Accountant (CPA) and a Certified Property Manager (CPM) and he had experience in both public accounting and financial management with several well-known regional and national firms.

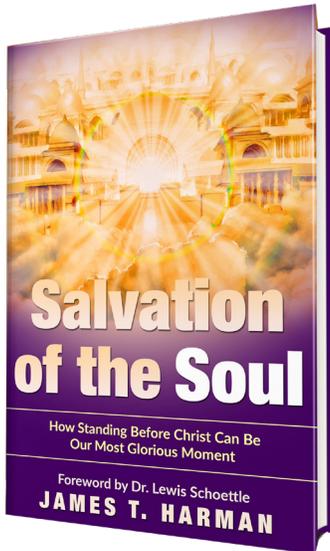

In 1996, at Ray Brubaker's famous *International Prophecy Conference*, he shared the message of our Lord's return for his bride, and he was honored to share the stage with some of the leading prophecy scholars and teachers of our day (Jack Van Impe, Tim Lahaye, Grant Jeffrey, J.R. Church, Perry Stone, David Breese, Peter Lalonde, and Joe Van Koevinger).

After a tragic accident to his daughter in 2000 he was forced to take a break from the ministry. In 2007, he resumed the work the Lord gave him; restarting their website and writing again as the Lord led. While he has authored fourteen books, his most successful title has been *Daniel's Prophecies Unsealed*. He believes that God called him to write his most important book on the Salvation of the Soul, which was written to help every believer get prepared for the moment when they stand before Christ at His judgment seat (2 Corinthians 5:10-11).

# SALVATION OF THE SOUL & FIVE WARNINGS TO BELIEVERS MAY BE THE MOST IMPORTANT BOOKS YOU READ THIS YEAR

The salvation of the soul is probably one of the most misunderstood concepts in the Church today. Most people think that the salvation of the spirit and the salvation of the soul are the same thing even though the Scriptures tell us something different.

When Jesus returns, He will review all of our lives to determine whether we have been faithful and obedient doers of His Word.

The purpose of this timely book is to help believers examine their life and assist them in becoming faithful overcomers who will be qualified to rule and reign with Christ in the coming Kingdom. After we have experienced the salvation of our spirit, it is imperative that we allow the Word of God to sanctify us completely in order to realize the salvation of our soul:

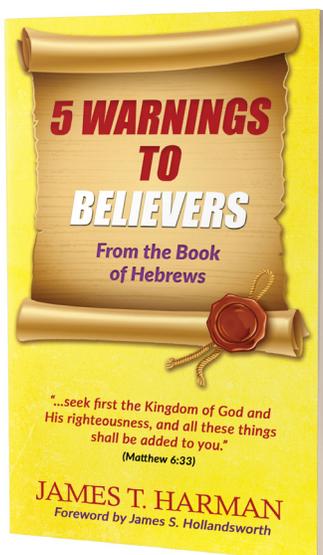

*Now may the God of peace Himself **sanctify you completely**; and may your whole **spirit, soul and body** be preserved blameless at the coming of our Lord Jesus Christ. (1 Thessalonians 5:23)*

This book will prepare you so Christ will say: "Well done.." at His judgment seat.

10) For we must all appear before the judgment seat of Christ, that each one may receive the things done in the body, according to what he has done, whether good or bad. 11) Knowing, therefore, the terror of the Lord, we persuade men (2 Corinthians 5:10-11)

## NEW SEQUEL TO SALVATION OF THE SOUL

The "SO GREAT SALVATION" mentioned in Hebrews 2:3 is NOT the salvation believers receive when they first believe on Jesus for their eternal life (Ephesians 2:8-9). The salvation found in the Book of Hebrews deals primarily with the *salvation of the soul*, which represents the ongoing sanctification process believers should be carrying out in their daily lives (Philippians 2:12-13).

**5 WARNINGS TO BELIEVERS** explains what is at stake when we appear before Jesus Christ at His judgement seat.

The purpose of this booklet is to prepare you so you will hear Christ say:

*Well done, good and faithful servant....  
Enter into the joy of your Lord.  
(Matthew 25:21)*

God's purpose is to **bring many sons to glory**. His great desire is to share His wonderful Kingdom. These Five Warnings in the book of Hebrews were given out of His Great Love for His children.

*"For it was fitting for Him, for whom are all things and by whom are all things, in bringing many sons to glory..."* (Hebrews 2:10 - NKJV)

**Warning # 1** Don't Neglect Great Salvation (Hebrews 2:1-5)

Discover when the Salvation of the Soul takes place.

**Warning # 2** Don't Harden Your Heart (Hebrews 3:12-15 to 4:13)

How Psalm 95 may serve as a type for today's believers.

**Warning # 3** Don't Turn Back to the World (Hebrews 6:4-8)

Paul's warning in 1 Corinthians 9:24-27 may apply today.

**Warning # 4** Don't Cast Away Your Confidence (Hebrews 10:26-39)

Remain faithful, don't draw back to perdition by sinning willfully.

**Warning # 5** Don't Refuse to Listen to Him (Hebrews 12:22-29)

Jesus is offering to live in the City of Reward. Are you listening?

# WHAT READERS ARE SAYING

Jim Harman's work on the salvation of the soul is greatly needed and his burden for "souls" is evident. This book, in a concise manner, shows the believer how their soul can be saved. Jim explains how salvation of the soul is only applicable to believers and is a product of sanctification. He rightly divides the gift of God, which is absent from works, and the reward of God, which is according to works. His focus upon on the Word of God is refreshing. His willingness to let the Word speak is brave. So many preach what they have always been taught or understood and are unwilling to examine the potential that what they have been taught is wrong. Not so with Jim's book ***Salvation of the Soul***. Jim brings great light on this many times wrongly understood subject.

Most believers never learn the critical distinction between salvation of the spirit unto eternal life and salvation of the soul (sanctification) unto reward. Jim Harman clearly distinguishes between the two in his excellent volume, ***Salvation of the Soul***. Understanding this truth is indispensable for preparing to meet Jesus at the Judgment Seat of Christ. I am so thankful for Brother Harman's excellent resource that rightly divides the Scriptures.

***Salvation of the Soul*** needs to be read by every Christian. Few in the body of Christ are aware of the important truths that are shared in this book. Whether you act on the exhortative teaching will determine whether you rule and reign with Jesus or whether you suffer loss at the Judgment Seat of Christ.

## SEVERAL TOP REVIEWS FOR JIM HARMAN'S BOOKS

"Thank you so much for sending me a draft copy of your manuscript *Salvation of the Soul*. Like you, I believe that, as Christians, everything we do down here on earth has a direct bearing on our capacity for joy, worship and service in heaven. I certainly don't want to "waste my sufferings" here on earth but use them as a platform for bringing more glory to God on that wonderful Day I'll stand before Christ. "

"Wow. Charles Spurgeon wrote about a book on Daniel and the Apocalypse by the famed Sir Isaac Newton and now James Harman, who has written extensively on prophecy, has distilled its message for us today. You won't find this explanation anywhere else."

"The message presented in *The Coming Spiritual Earthquake* is greatly needed to awaken believers to the false assumptions many have when it comes to the Rapture. This book will be used by the Holy Spirit to awaken you to the nearness of our Lord's Return, along with preparing you: to the need of living daily for Christ; to be ready when He comes. "May God grant it. Amen."

"I am so very grateful for Jim Harman's books since the 1990's, including his new writing on Daniel. No question about it - he was raised up by God for those Christians in the last days that hunger and thirst for God's righteousness after we've been born into God's family."

"In the pages of this short commentary you will discover new insights into comprehending the message of the Song of Songs. You will come to appreciate, as we have, how the author's arduous research and study has enabled him to bring together a fresh approach in the spiritual understanding and truths of this beautiful portion of God's word. Do take the time to savor it!"

"When I was in grade school, I couldn't imagine why anyone would want to name their town 'Babylon.' Aside from biblical Babylon, there is another town with this name: Babylon N.Y. It's located 60 miles east of N.Y.C. I grew up in North Babylon, N.Y. For years I would look at the prophecy of 'Babylon' and its destruction, thinking about N.Y.C., Rome, and the ancient city of Babylon. I now understand clearly, from your book, that 'Babylon' is the only way the bible could have described America and the symbol of America: N.Y.C."
